

Statement of Esentia Energy Development, S.A. de C.V.

On July 7, 2025, Esentia Energy Development, S.A. de C.V. ("Esentia"), submitted a confidential request for authorization for an Initial Public Offering of shares evidencing its capital stock (the "Mexican IPO") before the Mexican National Banking and Securities Commission ("CNBV").

In parallel, Esentia intends to carry out an international private offering of shares in the United States and in other markets (the "International Offering" and, together with the Mexican IPO, the "Offering") that will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"). The shares in the International Offering will be offered only to qualified institutional buyers in the United States pursuant to Rule 144A of the Securities Act and, in other markets (outside Mexico the United States) in accordance with Regulation S under the Securities Act. Unless so registered, the shares may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and any applicable state securities laws. This communication does not constitute an offer to sell or a solicitation of an offer to buy the shares, nor will there be any sale of shares, in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any state or jurisdiction.

On September 9, 2025, Esentia made a request to the CNBV to remove the confidentiality of the existence and terms and conditions of the Offering and the drafts of the documentation relating to the Mexican IPO, including the preliminary prospectus.

Both the Offering and the preliminary prospectus's content are subject to changes, amendments, supplements, clarifications or replacements, as well as regulatory and corporate approvals that may or may not occur between the date hereof and the date in which the Offering is carried out.

Once the corresponding approvals are obtained, Esentia will have the option to decide whether to proceed with the Offering.
