

## ESENTIA Announces International Offering of Rated Senior Unsecured Notes by Fitch, S&P and Moody's

**Mexico City, May 1, 2026** – ESENTIA Energy Development, S.A.B. de C.V. (BMV: ESENTIA) (“ESENTIA” or the “Company”), further to the relevant event published on April 28, 2026 regarding the approval by the Shareholders’ Meeting to carry out the comprehensive refinancing of Esentia’s liabilities, hereby informs the investing public that today it commenced a process to conduct an offering of senior unsecured notes in the international markets under Rule 144A and Regulation S of the U.S. Securities Act of 1933, as amended.

In addition, the Company has launched a cash tender offer to purchase up to all of the outstanding 6.375% senior secured notes due 2038 issued by Esentia Gas Enterprises, S. de R.L. de C.V., a subsidiary of ESENTIA, as part of the comprehensive refinancing process.

The New Notes are expected to receive issue ratings of Baa3 by Moody’s, BBB- by S&P Global Ratings and BBB- by Fitch Ratings, all with a stable outlook. The final terms of the New Notes will be determined based on market conditions at the time of pricing.

### About ESENTIA Energy Systems:

ESENTIA Energy Systems is a leading company in Mexico's energy sector, specializing in the transportation and commercialization of natural gas. With more than 20 years of experience, we develop infrastructure projects that drive growth and expand access to energy, contributing to Mexico's well-being and sustainable development. We operate Mexico's largest interconnected natural gas system, supplying reliable, low-cost natural gas from Waha, Texas, through the center of the country to major industrial regions. At ESENTIA Energy Systems, we operate under the highest safety standards and maintain a firm commitment to sustainability and respect for the communities where we operate.
