About ESENTIA Energy Systems:

ESENTIA Energy Systems is a leading company in Mexico's energy sector, specializing in the transportation and commercialization of natural gas. With more than 20 years of experience, we develop infrastructure projects that drive growth and expand access to energy, contributing to Mexico's well-being and sustainable development. We operate Mexico's largest interconnected natural gas system, supplying reliable, low-cost natural gas from Waha, Texas, through the center of the country to major industrial regions. At ESENTIA Energy Systems, we operate under the highest safety standards and maintain a firm commitment to sustainability and respect for the communities where we operate.
